SUFFERED FOR FIFTEEN YEARS

Since taking Tanlac Mrs. Bowers feels like a different woman.

"Tanalac has done me so much good that I actually feel like a different woman since I began taking it," said Mrs. E. E. Bowers, of 2107 Harrison Boulevard, Houston, Tex.

"For fifteen years I had hardly seen a well day," she continued, "for it seemed like everything would be wrong and gave me the heartburn till I could hardly stand it. Rheumatism made me miserable, too, and I suffered so from this trouble that I could hardly get up when I was down. My joints were stiff and my muscles ached and my back hurt so it almost drove me distracted; my nerves were all unstrung and I had that tired, draggy feeling and was so badly run-down and worn out I couldn't do my work without feeling nearly exhausted."

"Upon after starting on Tanlac I began to feel better and after taking only four bottles my appetite is just fine, my stomach never troubles me, I am not nervous and the rheumatism is about gone from my system. My nerves feel like I feel better and stronger in every way."

All druggists sell Tanlac—Adv.
